Marlin ISD Community Q&A Dear Parents and Community members:

Recently there have been some comments and questions in the community about the possibility of seniors not being able to graduate from Marlin High School this year.

Please know that these concerns are unfounded.

High School Seniors that complete all requirements and standards for graduation will graduate from Marlin High School.

There was another question about students not being promoted from grade to grade.

All students who complete the requirements to be promoted to the next grade will be promoted.

Another question was about the validity of UIL results, tournament results, etc. for this year and beyond.

Any school that is subject to accreditation may participate in UIL, regardless of accreditation status.

If you have additional questions about matters like these, please call the Marlin ISD administration office at 254-883-3585, and we'll be happy to answer them.

Thank you!

Marlin ISD
